Dear Friends:

I am pleased to welcome everyone to the 6th Annual Museum in Manhattan.

Every year, the people of Manhattan offer New York City's Shia Muslim community an opportunity to reconnect with each other, their rich cultural heritage and religious values by visiting the mosque and shrine of the Prophet Muhammad's grandson, Husayn bin Ali, and visiting the graves of his family. Manhattan's citizens will join their own community to pursue the common good and stand for justice. This year, local Muslim gather around a theme — "For unity, a Challenge for Humanity" — that speaks to the important work we need to undertake as a City to build a brighter future for all of our citizens. As my administration works every day to address the crisis of inequality, I returned my appreciation to the government and citizens of New York in the most meaningful

On behalf of the City of New York, please accept my best wishes for a meaningful commemorative and well-needed success.

Sincerely,

Bill de Blasio
